

ASX Announcement

Release Date: 14 July 2023

Change of Auditor

PERTH, AUSTRALIA: Nuheara Limited (**ASX:NUH**) (**Nuheara** or **Company**), is pleased to announce the appointment of RSM Australia Partners (**RSM**) as its new auditor.

The decision to change auditor has been approved by Nuheara's Board of Directors as in the best interests of shareholders as it offers a high-quality national firm, with relevant skills and is recognised for client service.

The appointment of RSM follows a competitive tender process with RSM assessed as providing the best match of skills and value.

SW Audit (formerly ShineWing Australia) has applied for consent to resign as the auditor of Nuheara and this consent has been subsequently received from ASIC. The Company appreciates the work of its outgoing auditor, SW Audit, and looks forward to working with RSM.

ABOUT NUHEARA

Nuheara is a global leader in smart hearing technology which change people's lives by enhancing the power to hear. As a global pioneer in Hearable products, Nuheara developed proprietary, multi-functional, personalised intelligent hearing devices that augments a person's hearing. Nuheara is headquartered in Perth, Australia and was the first consumer wearables technology company to be listed on the Australian Securities Exchange (ASX). The Company also has a USA office located in Seattle, Washington.

In 2016, the Company released its revolutionary wireless earbuds, IQbuds, which allow consumers to augment their hearing according to their personal hearing preferences and connect hands free with their voice-enabled smart devices. In 2020 Nuheara released its third-generation hearable the IQbuds² MAX.

In 2021, Nuheara transformed its operations to include medical device manufacturing for its hearing aid products to meet global demand for mild to moderate hearing loss. Nuheara products are now sold Direct to Consumer (DTC) and in major consumer electronics retailers, professional hearing clinics, pharmacies, and speciality retailers around the world. In 2022, Nuheara's HP Hearing PRO was the first product cleared through the FDA's 510(k) process for both 874.3325 self-fitting and the 800.30 OTC hearing aid classifications under a new product classification code "QUH".

The Company's mission is to transform the way people hear by creating smart hearing solutions that are both accessible and affordable. For further information, please visit <https://www.nuheara.com/>.
